Dear Councilman Buscaino:

The Central San Pedro Neighborhood Council believes that the public would benefit by having access to the Cabrillo Beach youth facility at 3000 Shoshonean Road, San Pedro. Minors from throughout the Harbor Area would especially benefit from the experience of beach camping and boating.

Therefore, the Central San Pedro Neighborhood Council resolved on 12/12/17 to support the Cabrillo Beach youth facility being owned and operated by the City of Los Angeles; The Recreation and Parks Department and/or the Harbor Department should manage the facility for the purpose of establishing a public park which would be open and freely available and accessible for the use of all people.

It was further resolved on 12/12/17 that the Central San Pedro Neighborhood Council call on the City Council, Mayor and other officials to support our position and direct the Harbor Department, or any other relevant department, to negotiate with the Los Angeles Council of the Boy Scouts for the purpose of canceling plans for any future lease and for the Harbor Department to provide funding for the annual operation and maintenance of the facility.

Sincerely,

Christian Louis Guzman
Board Member and President
On behalf of the Central San Pedro Neighborhood Council
