Dear Zoning Administrator:

On April 24th, 2017 our Business Committee passed a motion to approve a letter in support of Godmother's Saloon application for the renewal of their CUP/CUX for alcohol, dancing and Zone Variance to allow the privilege of no on-site parking.

The Central San Pedro Neighborhood Council held a full board Special Stakeholder Meeting on May 16th, 2017 and voted unanimously to support the renewal. We found that Godmother's Saloon has been a noble community partner. They are active and promote events in our downtown district which is vital to our thriving economy.

Thank you for your consideration of these remarks.

Respectfully,

Donald Galaz, Vice President on behalf of the Central San Pedro Neighborhood Council
