Dear Ms. Salas,

At the October 14, 2014 meeting of the Central San Pedro Neighborhood Council Board and its stakeholders, the board approved a Motion to write this letter of support for the Re-entry Job Fair sponsored by the Harbor Area Re-Entry Collaboration (HARC)

Our community is directly impacted by the lack of employment opportunities available to ex-offenders. Many Harbor Area neighbors struggle with community reintegration upon release from our county jails and prisons. We believe that as a community it is in our best interest to support all of our residents in being productive – it improves the overall quality of life and safety for everyone in our community.

Respectfully Yours,

James Preston Allen  
President
