Christian Louis Guzman
Board Member and President
Central San Pedro Neighborhood Council
1840 S. Gaffey St. #212
San Pedro, Ca 90731

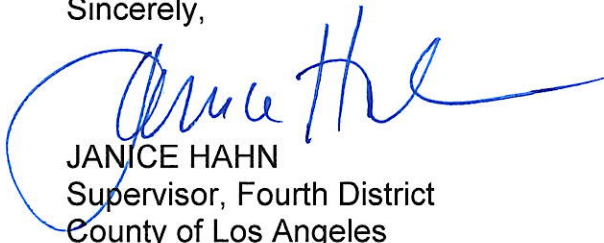

Dear Mr. Guzman:

Thank you for your letter regarding the resolution passed by the Central San Pedro Neighborhood Council supporting proposed Rule 1410 by the South Coast Air Quality Management District (AQMD).

As you know, I have been supported the ban on the use of hydrofluoric acid (HF) and modified hydrofluoric acid (MHF) from the very beginning. The only two refineries that use this dangerous chemical in the state are in my Supervisorial district and I believe safer alternatives can and should be used.

My staff continues to monitor the progress Rule 1410 very closely and regularly attends AQMD hearings.

Sincerely,

JANICE HAHN
Supervisor, Fourth District
County of Los Angeles
