Water Street, Wilmington, Berths 186.

Road Closures - Please note that there will be upcoming road closures during the construction on the SR47/I-110 Project that I reported to you in January. Closures will start on Sunday, March 16 through Friday, March 28 and will take place at night to minimize the impact from 7pm to 6am. The Northbound I-110 (Harbor Freeway) on-ramp at Front Street (under the Vincent Thomas Bridge) will be closed and the transition from the Westbound SR-47 (Vincent Thomas Bridge) to the Northbound I-110 (Harbor Freeway) will be closed. They just inform us that they are exercising their option).
- The Draft EIR/EIS is anticipated to be released for public review in mid 2014 at which time a public hearing will be held.
TWO WEEKS OF OVERNIGHT ROAD CLOSURES PLANNED DURING CONSTRUCTION ON SR-47/I-110

SAN PEDRO, Calif. - March 10, 2014 - The Port of Los Angeles has announced the connector from the Westbound SR-47/Vincent Thomas Bridge to I-110 Northbound will be closed Sunday, March 16, through Friday, March 28, during the hours of 7 p.m. to 6 a.m., as part of a major roadway project to improve the Harbor Freeway and nearby surface streets in San Pedro and Wilmington.

The following alternate routes are suggested for traffic travelling westbound on the Vincent Thomas Bridge, heading toward the Harbor Freeway:

Preferred Alternate Route (in blue):
- Exit at Harbor Blvd.
- Left on Front Street.
- Right on Pacific Avenue (becomes John S Gibson Blvd.)
- Left onto I-110 North on-ramp from John S Gibson Blvd.

Additional Alternate Route (in purple):
- Exit at Gaffey Street
- Right on Gaffey Street
- Right on Channel Street
- Left on Pacific Avenue (becomes John S Gibson Blvd.)
- Left onto I-110 North on-ramp from John S Gibson Blvd.

During this time period, the Gaffey Street exit will be also closed intermittently. Please follow posted traffic signs accordingly. Similar closures are anticipated to occur over the next few months. For future updates, click here or call the Project Construction Manager Prashant Konareddy at (310) 732-3362.

The SR-47/I-110 project will widen the westbound connector to the I-110 North by adding a second lane that starts after the Vincent Thomas Bridge and extends beyond the John S. Gibson Boulevard off-ramp. Construction is paid for through funding by Port of Los Angeles revenues, the Federal Safe Accountable Flexible Efficient Transportation Equity Act (SAFETEA-LU), State of California Trade Corridor Improvement Fund (TCIF), and Los Angeles County Metropolitan Transportation Authority (LACMTA) Prop C Funds.
