Re: O'Farrell Hill Sidewalk

Dear Joe Buscaino,

At the October 18th, 2016 Central San Pedro Neighborhood Council Board and Stakeholders meeting, during public comment Maria Marsch expressed a number of concerns in regards to the North side of the O'Farrell hill, between Beacon & N. Palos Verdes Streets. Currently there is no sidewalk on the north side of the O'Farrell hill and they are requesting a sidewalk as well as lighting to deter homeless encampments for forming, graffiti and illegal dumping.

Our land-use committee has commenced working with the residents on how to rectify the situation however, the residents have conveyed that they have contacted your office prior to notifying our board and have yet to receive any response or assistance. Enclosed is a signed petition from the residents and contact information as well as a detailed list of grievances.

Sincerely,

Mona Sutton
President
