

As part of the Clean Streets Challenge 2017, Daniels Fields Neighborhood Watch and Mary Star Neighborhood Watch have pledged to clean up the area around the Boys and Girls Club and Dana Middle School.

This Saturday, November 11, 2017, we will be focused on cleaning the alleys and streets around Dana Middle School.

The Office of Community Beautification has donated leaf rakes, gloves, trash bags, and other general supplies for this event.

We will be meeting Saturday morning at 9:00am at the steps of Dana Middle School on Cabrillo. Bring a friend!

*Please note: Daniels Fields Neighborhood Watch Group, Mary Star Neighborhood Watch Group, Dana Middle School and the Boys and Girls Club have partnered for this Clean Streets Challenge. At the end of the Clean Streets Challenge period, grant funds received will be used towards purchasing **Neighborhood Watch Signs** for the community.*
