      I. There was an update Alta Sea.
      II. Artifacts from the Ports O’ Call restaurant are being housed for preservation at Piper Tech.

c. Sustainability – Rachel Bruhnke Chair
   i. Discuss and consider resolution to support a letter to State Senator Steven Bradford and Assemblyman Patrick O’Donnell, asking them to extend the Urban Agriculture Incentive Zone Act (AB511).
   Honorable Assemblyman Patrick O’Donnell and State Senator Steven Bradford
   The Central San Pedro Neighborhood Council (CeSPNC) is in support of AB551, extend the Urban Agriculture Incentive Zone Act, passed in 2014, which allowed landowners in metropolitan areas to receive tax incentives for putting land in agriculture use.
   Unfortunately, the bill has a sunset clause, and expires January 1, 2019.
   The law itself states that “the Legislature finds and declares that it is in the public interest to promote sustainable urban farm enterprise sectors in urban centers. The Legislature further finds and declares the small-scale, active production of marketable crops and animal husbandry, including, but not limited to, foods, flowers, and seedlings, in urban centers is consistent with, and furthers, the purposes of this act”.
   However, the Sunset Clause of AB551 states that “Unless the law is amended by the state legislature, now UAIZ contracts can be signed after January 1, 2019.” Therefore, we respectfully and urgently request that you take this matter up with the state legislature to extend this very important and timely law that will promote community engagement and benefit the environment, crime abatement, local seniors and low income residents, families and local water resilience in our communities.
   Respectfully,
   The board of Central San Pedro Neighborhood Council
   Motion from committee passed with 11 yes (Anderson, Bruhnke, Caravella, Castillo, Couch, Galaz, Garland, Hall, Hemphill, Marmolejo, and Obioma-Sakhu), 1 no (Guerrero), 0 abstention, 1 out of room (Allen), and 1 not eligible (Nutile).

d. Land Use Planning and Public Works – Maria Couch Chair
   i. Consider letter of support for a conditional use permit to allow the sale and dispensing of a full line of alcoholic beverages for on-site consumption, in conjunction with a proposed restaurant/bakery located at 335 W. 7th Street.

DRAFT LETTER OF SUPPORT FOR PROPOSED PROJECT AT 333 AND 335 W. 7TH STREET
The Central San Pedro Neighborhood Council has reviewed the plans for the proposed La Buvette Bistro at 335 W. 7th Street in San Pedro and hereby offer our support. The proposed project will be replacing Jackson’s Place and will be introducing Downtown San Pedro to a new dining experience. Mr. Compagnon is currently a Wine Sommelier at Trump National Golf Course and wishes to bring that experience to downtown. It will help bring new clientele to Downtown San Pedro and will enhance and further enrich the diverse San Pedro community. La Buvette Bistro will provide a new cultural experience to local residents, and provide additional employment opportunities. Additionally, interest in joining the San Pedro Outdoor Dining District was expressed.

The proposed facility is seeking to allow the sale and dispensing of a full line of alcoholic beverages for on-site consumption, in conjunction with a proposed 2,954 square-foot restaurant/bakery with 69 interior seats, and a 144 square-foot uncovered outdoor dining area in the public right-of-way with 12 exterior seats, having live entertainment consisting of 5 performers and 1 singer playing Jazz and World Music. Seeking to permit both 333 and 335 for possible future expansion.

We understand that the entertainment provided will not be amplified and steps are being taken to soften and absorb the sound.

Motion from committee passed with 13 yes (Allen, Anderson, Bruhnke, Caravella, Castillo, Couch, Galaz, Garland, Guerrero, Hall, Hemphill, Marmolejo, and Obioma-Sakhu), 0 no, 0 abstention, and 1 not eligible (Nutile).

ii. Consider letter of support for a conditional use permit & ABC type 41 license to allow the sale and dispensing of beer and wine for onsite consumption for Buono’s new location at 222 W. 6th Street.

DRAFT LETTER OF SUPPORT FOR PROPOSED PROJECT AT 222 W. 6th Street

ZA-2018-4161-CUB

The Central San Pedro Neighborhood Council has reviewed the plans for the proposed Buono’s Pizza at 222 W. 7th Street in San Pedro and hereby offer our support. Buono’s has been a long standing member of the community and currently has a location on 15th and Gaffey. Their new location has been empty for quite some time. It will help add to the current dining choices and contribute to the proposed San Pedro Outdoor Dining District plans.

The proposed facility is seeking to allow the sale and dispensing of beer and wine for on-site consumption, in conjunction with a proposed 2,380 square-foot restaurant with 49 interior seats, and an outdoor patio with 30 patron seats on private property. Hours of operation are from 11:00 a.m. to 11:30 p.m. daily

Committee voiced concern over the consumption of alcohol in the patio area. Facility will have conditions and alcohol will be contained. Once alcohol is brought outside into patio area it cannot be removed from the location. Signs will notify patrons of patio boundaries and where alcohol can be consumed.

Parking will not be an issue. The facility has access to a parking structure.

Motion from committee passed with 12 yes (Allen, Anderson, Bruhnke, Caravella, Castillo, Couch, Galaz, Guerrero, Hall, Hemphill, Marmolejo, and Obioma-Sakhu), 0 no, 1 abstention (Garland), and 1 not eligible (Nutile).

iii. Consider letter of support for Plans for 1101 S. Pacific Avenue the former Ramona’s Bakery.

DRAFT LETTER OF SUPPORT FOR PROPOSED PROJECT AT 1101 S. PACIFIC

ENV3564-CE ZA-2018-3565-CUB

The Central San Pedro Neighborhood Council has reviewed the plans for the proposed Sardines Coffee Shop and Lounge at 1101 S. Pacific in San Pedro and hereby offer our support. The proposed project promises to refurbish a community landmark (Ramona’s Bakery) with attention to historic detail. It will help connect a key intersection to the downtown corridor, enhance our arts district by providing another small performing arts venue, provide a gathering place for local residents, and provide additional employment opportunities.

The front of proposed facility would be a bakery/coffee shop with 35 seats while the rear would be a performing arts venue with a maximum of 66 seats. The proposed CUP would allow for live entertainment, film screenings, and incidental dancing with operating hours of 7 am to 2 am. The performing arts portion would be soundproof and all ingress and egress would be from Pacific Avenue. It is our understanding that although there will not be a full kitchen, some type of food will be available during all hours of operation.
While we are, however, concerned about the lack of parking and understand that additional parking is not required under the current zoning. We strongly encourage the applicants to enter into an agreement with Chase Bank across the street to use their parking lot during evening hours.

We also have some concern about the concentration of establishments selling liquor, however, these are outweighed by the uniqueness and positive contributions the proposed facility would make to our community overall.

Motion from committee passed with 11 yes (Anderson, Bruhnke, Caravella, Castillo, Couch, Galaz, Garland, Hall, Hemphill, Marmolejo, and Obioma-Sakhu), 1 no (Guerrero), 0 abstention, 1 out of room (Allen), and 1 not eligible (Nutile).
