Subject: Motion adopted on September 11, 2012/ City Council File #11-1737-s1_ord_182190

Dear Councilman Buscaino:

At its September 11, 2012 Board and Stakeholder Meeting, the Central San Pedro Neighborhood Council passed the following resolution:

“The Central San Pedro Neighborhood Council does not support the (then) proposed general city-wide ban on medical marijuana clinics. Existing laws and regulations should be utilized to control clinics where they create a nuisance or are involved in criminal activities.”

We realize that the ban has since been repealed by the City Council, but we would like our position to be a matter of record with our Council District 15 representative.

Sincerely,

Linda Alexander, President
Central San Pedro Neighborhood Council
