

DRAFT RECOMMENDATIONS:

1. Adopt the descriptions of proposed waterfront public access infrastructure projects and forward them to respective Neighborhood Council Boards for their further consideration and possible action;
2. Prepare a letter to the developer of the Public Market forwarding the relevant suggestions contained in Attachment A;
3. Prepare letter/s to the Port containing the following:
 - a. Request for the Neighborhood Councils to have a continued role in the design and implementation of the Public Access Projects
 - b. Recommending the following ideas be incorporated into the Town Square
 - 1) Provide a place to purchase coffee and pastries
 -[May insert others as a result of presentation]
 - c. Recommending the creation of a Director of Tourism and Activities position to improve focus on waterfront activities, establish a budget for such activities with the opportunity for public input
 - d. Providing the following general input: focus on the community and create family/kid friendly environment where youth can have fun and grow in meaningful way; reflect our community and its port culture; increase police patrol on the waterfront; ensure good lighting; incorporate LEED criteria, urban greening program criteria and wetlands restoration as appropriate; ensure access by wheelchairs and strollers; coordinate all signage throughout the waterfront and downtown San Pedro; and incorporate local hiring preferences where applicable.
