Draft Letter to the Mayor Opposing Termination of Sheryl Akerblom

March 10, 2020

Mayor Eric Garcetti
Los Angeles City Hall
200 N Spring St
Los Angeles, CA 90012

Dear Mayor Garcetti,

The Central San Pedro Neighborhood Council strongly opposes the decision made by the Department of Neighborhood Empowerment to terminate our temporary staff minute taker, Sheryl Akerblom. It is a great concern that our board was not given the opportunity to take part in fact finding or included in the decision process which culminated in her termination.

According to our bylaws, "With the approval of the Governing Board, the ministerial and administrative functions of any Officer may be delegated to Council staff or contractors." As such, our Neighborhood Council has employed Ms. Akerblom as a minute taker for our agenda setting committee meetings and board meetings. However, DONE has decided that Ms. Akerblom may no longer provide her services to any NC and, according to a December 20 email, the Department is "maintaining a position of confidentiality on the details associated with the circumstances."

The decision to terminate Ms. Akerblom is problematic since it occurred without the input or knowledge of our board, and since DONE has refused to provide any reason for which she should be dismissed.

We find this lack of transparency contrary to both open government and appropriate labor practices, and consider such treatment of government contractors inconsistent with our mission and bylaws.

We respectfully request that the Mayor's Office intervene in this matter.

Sincerely,

[Signature]

Central San Pedro Neighborhood Council

STANDING RULES of the Central San Pedro Neighborhood Council
REVISED AND ADOPTED 2-11-20

Standing rules shall supplement the official bylaws and may be revised at any time by a majority vote of the Board. When in conflict, the council bylaws shall take precedence.

~~1) Procedure for board/committee discussions on proposed motions~~

~~The following procedure shall be administered by the chair or whomever is running the meeting to the best of their ability:~~

- ~~a) On any proposed motion, the motion shall be made and seconded.~~
- ~~b) The maker of the original motion shall explain the nature and purpose of the motion within two minutes. Public comment shall follow in accordance with Section 4 below.~~
- ~~c) Chair shall declare public comment closed and call on the board/committee members, starting from their far left and if requested by a raised hand, to provide any relevant comments for one minute per member. Board/committee members may ask questions; stakeholders may answer or ask questions if permitted by the chair, but must address the chair at all times. At the conclusion of this, the chair shall ask if there are any follow up questions or comments and begin again at their far left, allowing 1 minute each.~~
- ~~d) At the discretion of the chair, one minute public comment rebuttals can be solicited, as well as one minute counter rebuttals by board members mentioned or referred to.~~
- ~~e) Chair shall then close comments, state the body's readiness to vote and shall take the vote.~~

1) Civility at Meetings

Chair shall warn anyone, stakeholder, guest or board member, who is out of line ~~≥ two~~ times; ~~A~~ a preliminary warning, and a second advising they could be asked to leave. A final warning shall ask them to leave. Should they refuse to leave, the chair ~~shall declare a recess and~~ may call for removal.

Per CA Government Code Section 54957.9, the Brown Act does permit some leeway in dealing with disruptions during council meetings:

"In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting." (Government Code Section 54957.9)

The important point to bear in mind is that mere disruption, including heckling, booing, and applauding, is not enough to clear the room. The meeting must be disrupted by such conduct, ~~and~~ the disruption must be so pervasive that removal of those creating the disruption is insufficient to regain order.

~~2) Pledge of Allegiance at Board Meetings~~

~~Because all stakeholders have something that brings us together in the midst of everything else that divides us, and as political and cultural issues may separate us, the United States Flag and the Pledge of Allegiance binds us together. Therefore, each regular and special board meeting shall begin with the reciting of the Pledge of Allegiance, and proper respects given. While all stakeholders have the right to not join in the recital, non-participating meeting attendees shall remain silent during the recital or be subject to a warning as prescribed under Standing Rules Section 2, Code of Civility.~~

2) Public Comment

Board Meeting or Committee Meeting attendees wishing to speak to the Governing Board shall be requested to fill out a Speaker Card and provide his/her name, business or organization affiliation (if any), whether they are a paid speaker (and who paid him/her to speak), and the agenda item number they wish to address for proper recording in the meeting minutes. Public Comment on agenda items should take place prior to board discussion vote on that item, but may also be granted to select individuals by the chair to specific non-board members to answer specific questions.

~~3) Moments of Silence~~

~~The CeSPNC will allow meetings to be dedicated to the memory of community members, as signified by a moment of silence before adjourning. Board members should notify the presiding chair prior to the meeting's call to order if they wish to offer such a memorial.~~

3) Responsibilities of Board liaisons

Board-appointed Liaisons (aka Public Representatives) to other public bodies are expected to regularly and proactively report to the CeSPNC Board on activities and issues pertaining to those organizations; help keep communication between the two organizations open and transparent; actively identify issues of mutual concern and develop proposals for Board action; and advocate in good faith for official Board positions and recommendations. The Liaison may not vote to endorse or otherwise publicly represent a position on an issue without prior Board authorization.

4) Required Training for non-Board committee members

All voting members of NC committees are required to sign and abide by the Department of Neighborhood Empowerment's (DONE) Code of Conduct. All Committee Chairs and Vice Chairs must take all training required of the Board as mandated by ~~DONE~~.

5) Board Member Use of Title/Position

No officer or member of the Neighborhood Council Governing Board or any of its committees shall represent him/herself as speaking on behalf of the Council or committee, or committing the Council or Committee to an action, unless s/he has been authorized to do so by the Neighborhood Council Governing Board, or by the Executive Committee when approval by the full Governing Board would not be timely. Members are permitted to do research and make exploratory calls in their official capacity without express approval of the Governing Board, so long as they do not commit the Council to action. Such authorization may be limited or revoked at any time by the Governing Board.

6) Committee Chairs' Authority to Reserve Meeting Spaces

Committee Chairs and Vice-chairs are authorized to arrange for meeting spaces so long as no cost is incurred.

7) Limited Number of Board Members on Each Committee

In order to comply with the City Attorney's interpretation of the Brown Act, no more than four members of the Governing Board may vote or participate in any committee, although more may observe. If more than four

board members attend a committee meeting, then each board member in attendance at the meeting must declare themselves as participant(s) or observer(s), and the distinction shall be noted in the minutes. The CeSPNC Board recommends to the Committee Chairs that Board Members be recognized in the order of arrival, unless the Committee Chair, acting on the will of the committee membership, has a good reason to include a particular Board Member. To be an observer means one ~~can only listen, and cannot be recognized by the Chair to speak, cannot participate in any discussion, and~~ cannot vote. If the Committee Chair desires to have more than four Board Members participate in discussions and voting, then the Committee Chair should contact the CeSPNC Co-chairs and work to set up a joint meeting of the committee and CeSPNC Governing Board.
