Subject: San Pedro Bus Shelters

To whom it may concern,

The Central San Pedro Neighborhood Council appreciates the two bus shelters on W. 13th and Gaffey Streets. Many people use these bus stops and these shelters encourage more ridership since the particular location is a lay-over for the 205 Metro Bus.

Should other shelters become available, we have suggestions on where they may be placed in our community.

Sincerely,

A handwritten signature in cursive script that reads "Carrie Scoville".

Carrie Scoville
President
