Community Impact Statement Illegal Fireworks Task Force Council File 17-1421

The following Community Impact Statement (CIS) in support of the creation of an Illegal Fireworks Task Force was approved at the June 16, 2020 Stakeholder Meeting of the Central San Pedro Neighborhood Council:

The Central San Pedro Neighborhood Council **SUPPORTS** the creation of an Illegal Fireworks Task Force as outlined in Council File 17-1421. Our community has a long history of being bombarded by illegal fireworks. This noise pollution causes alarm to many residents and imposes unnecessary harm on those with special needs, veterans, and animals. Furthermore, it poses a public safety hazard with the potential of creating a fire or damaging property and places an undue burden on our local Fire and Police Departments.

Therefore, the Central San Pedro Neighborhood Council requests that the City Council create an Illegal Fireworks Task Force.

The CIS was approved by a vote of: 9 Yes, 0 No, 1 Abstain, 1 Ineligible, 0 Recused, 5 Absent
