Board of Harbor Commissioners
Port of Los Angeles
425 S. Palos Verdes Street
San Pedro, CA 90731

Dear Commissioners:

The following Resolution was passed at the November 16, 2021 Central San Pedro Neighborhood Council Board & Stakeholder Meeting:

Hydrogen Sulfide in Dominguez Channel:

The Central San Pedro Neighborhood Council supports the US EPA to be the independent third party to provide unbiased oversight over the H₂S investigation and urges the Port of Los Angeles to support cleanup of the Channel because this waterway is part of the tidelands and flows into the Port of LA.

We look forward to your response.

Sincerely,

A handwritten signature in black ink that reads "Louis P. Caravella".
