CIS Regarding Billboard Removal at Terminus of 110 Freeway San Pedro

Whereas, the Central San Pedro Neighborhood Council wishes to further beautify the San Pedro community and create a welcoming environment for all residents and visitors;

Whereas, the billboard at the terminus of the 110 Harbor Freeway is a direct contradiction to on-going beautification efforts and an eyesore for all residents and visitors;

Whereas, representatives from CD 15 have indicated as of 2021 that the lease on said billboard will expire December 2022 and will not be renewed;

Whereas, it is not in the best interest of the San Pedro community to wait an inordinate amount of time for said billboard to be physically removed;

Resolved, the Central San Pedro Neighborhood Council requests as follows:

1) Council District 15 Representatives please provide a statement in writing to the CeSPNC reaffirming that the lease on the billboard of the 110 Freeway terminus will not be renewed after December 2022.

2) Council District 15 Representatives please provide CeSPNC documentation indicating whether or not any city planning, budgeting, or resource allocation has occurred in regards to the billboards eventual removal. If no such plans have been instigated or if no such documentation exists please provide a rationale why and provide a timeline for when such documentation will be available.
