Matthew Quioco (VP): Was that.

150

00:15:58.830 --> 00:15:59.460

dylan.

151

00:16:03.060 --> 00:16:03.870

James Preston Allen: dylan seconds.

152

00:16:04.740 --> 00:16:09.750

Matthew Quioco (VP): got it, thank you, is there any discussion on the amendment of the letter.

153

00:16:10.530 --> 00:16:16.140

Stacey Golden: i'm confused like a highlighted part with the moon, or when.

154

00:16:16.470 --> 00:16:19.110

Matthew Quioco (VP): You highlighted part is what would remain at the second paragraph.

155

00:16:20.970 --> 00:16:25.530

James Preston Allen: So can we hear Mr Garland the maker of emotions.

156

00:16:27.180 --> 00:16:28.740

James Preston Allen: reason for this.

157

00:16:31.680 --> 00:16:34.890

Matt Garland *Board Member: Up yeah My reasons are just that I think it's more concise.

158

00:16:37.710 --> 00:16:47.700

Matt Garland *Board Member: I appreciate that you guys have counseled him I don't I don't know that we need to even say that and I don't necessarily want to invite him back so that's that's really my reasons, thank you.

159

00:16:50.910 --> 00:16:57.060

Matthew Quioco (VP): Okay, any other comments regarding the proposed amendment.

160

00:16:57.360 --> 00:17:05.610

Stacey Golden: And i'm just the both of you, Mr Kyoto and Miss Alexander by to know your sentiments.

161

00:17:05.610 --> 00:17:06.720

lamar lyons: about having.

162

00:17:07.230 --> 00:17:08.580

Stacey Golden: That removed.

163

00:17:09.690 --> 00:17:17.100

Linda Alexander: Now i'm fine, I can see Mr garland's point to make it concise and and.

164

00:17:18.930 --> 00:17:20.280

Linda Alexander: Take the Nice stuff out.

165

00:17:22.740 --> 00:17:34.500

Matthew Quiocho (VP): On my end I yes that's me trying to be nice I I still consider with my friend, but if it is the will of the board, then that's the rule, the board and we'll just follow all of that.

166

00:17:36.510 --> 00:17:37.650

Matthew Quiocho (VP): anya we've got.

167

00:17:39.930 --> 00:17:52.830

Anya Sipivy: hi everyone, I agree, you know i've also tried to be really nice and it got me nasty emails with slightly threatening under tones so you know I think shortened to the point.

168

00:17:54.150 --> 00:18:03.930

Anya Sipivy: For the sake of our neighborhood Council is more important than some you know tender care at this at this stage of the game it's just gotten really out of hand.

169

00:18:06.210 --> 00:18:07.500

Anya Sipivy: So I vote to strike as well.

170

00:18:09.180 --> 00:18:18.030

Matthew Quiocho (VP): Thank you i'm trying to see if I can put this on a word Doc to make it easier for people to see but I mean i'll be able to do that straight away.

171

00:18:19.110 --> 00:18:19.410

Okay.

172

00:18:23.880 --> 00:18:26.970

Matthew Quiocho (VP): All right, Mr Allen you have another comment or do you have your hand up.

173

00:18:30.900 --> 00:18:31.920

Matt Garland *Board Member: My apologies, no, no.

174

00:18:35.340 --> 00:18:35.730

Matthew Quioco (VP): Okay.

175

00:18:37.980 --> 00:18:44.190

Matthew Quioco (VP): dylan if you don't mind we'll go ahead and take a roll call vote on the amendment and then we can vote on the motion as well.

176

00:18:46.110 --> 00:18:47.460

Dillon Clark: Yes, of course, in no particular.

177

Matthew Quioco (VP): Thank you.

203

00:19:52.470 --> 00:19:54.750
Matthew Quioco (VP): The motion is amended and the letters and mended.

204

00:19:55.800 --> 00:20:03.720
Matthew Quioco (VP): Any further and Cheryl with that laptop coming here, I see your hand up a Cheryl you have something.

205

00:20:04.380 --> 00:20:09.330
Sheryl Akerblom: Thanks i'm so glad so i'm concerned that, given the nature of.

206

00:20:09.330 --> 00:20:10.440
lamar lyons: This proceeding.

207

00:20:10.890 --> 00:20:14.040
Sheryl Akerblom: That i'm dylan you need to get.

208

00:20:15.210 --> 00:20:27.240
Sheryl Akerblom: just go to your website and get the roster because you need to be calling when you call roll initially you need to record the absences and in the meeting, not just on whatever paperwork you're doing.

209

00:20:27.570 --> 00:20:34.020
Sheryl Akerblom: and equally so for the votes i'm just concerned I wish I had offered to do this for you i'm so sorry I did not thank you.

210

00:20:38.850 --> 00:20:42.420
Dillon Clark: Matthew i'm happy to recall the role of if you so wish.

211

00:20:44.100 --> 00:20:48.120
Matthew Quioco (VP): Is that the role for attendance or one of the motion, so I didn't quite catch that.

212

00:20:49.560 --> 00:20:55.860
Dillon Clark: It yeah i'm not sure historically I don't think we've called absent folks in the votes.

213

00:20:57.090 --> 00:20:59.340

Dillon Clark: But I may be misremembering.

214

00:20:59.760 --> 00:21:10.560

Linda Alexander: I don't I don't think we've mentioned the fact that, too, I don't think we've said, Mr rob and Luke caravelle I buy my account are absent from the meeting.

215

00:21:11.070 --> 00:21:14.580

Matthew Quiocho (VP): You know, are those the only two yes or numbers okay.

216

00:21:15.390 --> 00:21:16.740

Dillon Clark: I will mark them absent on our.

217

00:21:18.030 --> 00:21:27.570

Matthew Quiocho (VP): Thank you appreciate it, let me get my screen back and see if I can share this with you all okay there we go, can you guys see that.

218

00:21:28.140 --> 00:21:32.400

Matthew Quiocho (VP): yeah Okay, make it easier to visualize what's going on.

219

00:21:33.240 --> 00:21:34.800

James Preston Allen: So that's the perfected motion.

220

00:21:35.220 --> 00:21:41.280

Matthew Quiocho (VP): That is the perfected motion any more comments on the perfected motion.

221

00:21:44.580 --> 00:21:50.520

Matthew Quiocho (VP): see no hands up we'll go ahead and take a roll call vote.

222

00:21:52.560 --> 00:21:53.670

Matthew Quiocho (VP): Mr dominic and please.

223

00:21:54.060 --> 00:21:57.180

Dillon Clark: Do we need a motion and a second.

224

00:21:59.310 --> 00:21:59.580

Dillon Clark: or.

225

00:22:02.130 --> 00:22:07.950

James Preston Allen: Second, invite to kill chillin miss Alexander or early on yeah.

226

00:22:07.980 --> 00:22:09.750

Dillon Clark: Thank you okay now.

227

00:22:10.770 --> 00:22:12.990

Stacey Golden: i'm confused, are we could you please.

228

00:22:14.550 --> 00:22:16.440

Stacey Golden: Tell us what the emotion is again.

229

00:22:17.910 --> 00:22:18.900

Matthew Quioco (VP): sure we.

230

00:22:18.990 --> 00:22:33.600

Matthew Quioco (VP): We, as the and I would ask Jason that you raise your hand when you have a comment, but we are adopting this letter as a board collectively as a board requesting Mr caravelle to step down.

231

00:22:36.510 --> 00:22:38.130

Matthew Quioco (VP): That that makes sense.

232

00:22:41.550 --> 00:22:52.110

Stacey Golden: Okay, so we are, we are okay so we're proceeding with the request asked for his resignation ground Okay, thank you.

233

00:22:52.590 --> 00:23:01.380

Matthew Quioco (VP): And right now, this is just a request, this is not a forceful central or forceful removal, even though it may feed into that later this is.

234

00:23:01.800 --> 00:23:04.890

Stacey Golden: So there's no discussion about the issue.

235

00:23:06.480 --> 00:23:07.080

Stacey Golden: at all.

236

00:23:08.940 --> 00:23:10.740
Matthew Quioco (VP): Did you want.

237

00:23:10.770 --> 00:23:24.690
Stacey Golden: To i'm not the one that put this forth Why would I need to say what my issue is i'm just not hearing the people that have an issue speaking up to discuss what the issue and the problem is.

238

00:23:29.460 --> 00:23:31.830
Matthew Quioco (VP): lamar lions you have something to say.

239

00:23:32.490 --> 00:23:41.280
lamar lyons: Is this motion on the on the amendment or this on the actual motion, so I was under pressure, and this has to do with this was an amendment motion.

240

00:23:41.940 --> 00:23:55.740
Matthew Quioco (VP): yeah, this is the perfected motion, so the emotion has been amended to strike these portions out that was approved, so this is, I can't I don't know where the strike through his on Google docs or Google docs very much, but the red has been removed.

241

00:23:56.610 --> 00:23:59.730
lamar lyons: So what is this an actual bolt on the action it's not.

242

00:24:01.980 --> 00:24:05.490
Matthew Quioco (VP): Adopting this letter Okay, do you.

243

00:24:07.200 --> 00:24:09.240
Matthew Quioco (VP): wind up but yeah.

244

00:24:09.870 --> 00:24:13.500
Linda Alexander: Your response to stacy's remark.

245

00:24:15.210 --> 00:24:17.760
Linda Alexander: I think everybody is seeing.

246

00:24:18.990 --> 00:24:22.530
Linda Alexander: most or all of the offending emails.

247

00:24:24.210 --> 00:24:44.850
Linda Alexander: We know that some not all of them are available at Matthew has our Vice President has those available if you need to see

them but it's gotten in the cumulative effect recently of really emails that take.

248

00:24:46.050 --> 00:25:00.960

Linda Alexander: A bone of contention, something that our President did not agree with, and he is twisted them into rather outrageous inflammatory and an unfounded or accusations.

249

00:25:02.220 --> 00:25:08.580

Linda Alexander: Instead of going through a proper thing is sent in my case, he did not.

250

00:25:09.660 --> 00:25:13.200

Linda Alexander: He did not agree with my decision to put.

251

00:25:14.880 --> 00:25:32.790

Linda Alexander: To encourage retail shopping in our downtown I believe that we considered appropriate like we encourage everything in our neighborhood and that was just one he didn't agree with it and, unfortunately, was already at the printer.

252

00:25:33.960 --> 00:25:49.470

Linda Alexander: When he brought that complaint at at some other time, separate from that I had suggested that his sending his unhappy emails regarding different board members.

253

00:25:50.610 --> 00:26:16.170

Linda Alexander: regularly, including the city attorney in those copies was not appropriate, and he managed to tie that into the newspaper in the meantime, he extrapolated and found a way to call me a racist, which was beyond offensive and and any any.

254

00:26:16.200 --> 00:26:17.850

Linda Alexander: Decent reading of that.

255

00:26:18.210 --> 00:26:39.960

Linda Alexander: Of the email, he said would see that it's it's so it's outrageous, I know that, personally, he is spoken in this way to other people around town other leadership in San Pedro and attempt to disparage my reputation.

256

00:26:40.620 --> 00:26:42.810

Matthew Quiocho (VP): and want others to.

257

00:26:42.930 --> 00:26:43.380
Linda Alexander: Sorry.

258

00:26:43.680 --> 00:26:52.950
Matthew Quioco (VP): I do want to get to some stakeholders here, I know eugenia anya mad I see you guys were to come back to you, but I do want to let the stakeholders speak.

259

00:26:54.090 --> 00:26:55.530
Matthew Quioco (VP): pat Please go ahead.

260

00:26:57.570 --> 00:27:19.500
Pat: procedure, or if you, you have a good beginning of the paragraph, we the undersigned declare, are you expecting them that everybody who votes for this is going to sign this second tip for city bodies move take action by resolution or by emotion, so you and assuming you're making this emotion.

261

00:27:20.550 --> 00:27:20.910
Pat: Right.

262

00:27:22.200 --> 00:27:24.060
Matthew Quioco (VP): Yes, the motion is to adopt this letter.

263

00:27:24.480 --> 00:27:25.890
Pat: Okay, thank you.

264

00:27:29.940 --> 00:27:33.330
Matthew Quioco (VP): Go ahead, please go ahead and again, please try to keep it real.

265

00:27:35.400 --> 00:27:37.890
Bob Gelfand: Thank you, this is more of a procedural.

266

00:27:38.940 --> 00:27:44.220
Bob Gelfand: question and I thank all of you for conducting this meeting in such a.

267

00:27:45.300 --> 00:27:48.390
Bob Gelfand: judicious and mature way.

268

00:27:49.950 --> 00:27:50.640
Bob Gelfand: The.

269

00:27:51.660 --> 00:27:54.930

Bob Gelfand: question is what would happen if.

270

00:27:56.640 --> 00:28:20.220

Bob Gelfand: The person in question simply ignores your letter, it would seem to me that the next step would be that you would have another special meeting with a specific agenda item of removing that person is President, for that reason, you might wish to either add to this letter or in a separate.

271

00:28:21.630 --> 00:28:26.700

Bob Gelfand: subheading of this motion put some sort of a time limit like one week on it.

272

00:28:28.830 --> 00:28:34.920

Bob Gelfand: With the understanding that you don't intend it to select this works Thank you Mr chair.

273

00:28:36.360 --> 00:28:48.480

Matthew Quiocho (VP): Thank you, and yes, there, there is the potential for a no competence vote, which would require simply a majority vote, but we haven't quite got there yet we're kind of working our way through.

274

00:28:48.840 --> 00:28:54.720

Bob Gelfand: My day ask when you say no confidence vote does that mean removal.

275

00:28:55.800 --> 00:28:58.950

Bob Gelfand: As President yeah it was President, yes Okay, thank you very much.

276

00:29:01.290 --> 00:29:03.210

Matthew Quiocho (VP): Who hasn't talked much on yet Please go ahead.

277

00:29:05.700 --> 00:29:08.970

Anya Sipivy: hi, I just wanted to say that um you know.

278

00:29:10.980 --> 00:29:19.740

Anya Sipivy: Going back to what Linda was talking about it's not just it's slanderous you know and, from what I understand the way that these emails were sent out.

279

00:29:20.160 --> 00:29:30.120

Anya Sipivy: doesn't allow a voice to the person responding so all the emails that I was sent for my small business in this neighborhood that were defamatory and slanderous.

280

00:29:30.630 --> 00:29:39.600

Anya Sipivy: I wasn't given a voice, you know to even be able to say, like hey I had to go through another method to make sure other people saw.

281

00:29:40.140 --> 00:29:56.040

Anya Sipivy: What was being you know said and what was being said back and I totally have no confidence, I have, I don't feel safe around this person, you know these these rantings or have someone who's unwell and although I wish him the best you know.

282

00:29:58.110 --> 00:30:01.890

Anya Sipivy: I don't know what we're going to do, I have a bad feeling like Bob was just talking about that.

283

00:30:02.160 --> 00:30:08.070

Anya Sipivy: he's going to make sure that if he can't be on the Presidency of this neighborhood Council that no one will have this Council at all.

284

00:30:08.430 --> 00:30:21.360

Anya Sipivy: And it just seems like you know he's got this manipulation going with done or whatever that he's a victim of retaliation, where in fact i'm starting to wonder if the grievance was filed because you could sense, this was coming.

285

00:30:22.530 --> 00:30:31.110

Anya Sipivy: So I just feel manipulated and uncomfortable and just really low about this whole thing thanks.

286

00:30:31.650 --> 00:30:34.170

Matthew Quiocho (VP): Thank you eugenia and then that.

287

00:30:38.820 --> 00:30:39.120

eugenia: See.

288

00:30:40.410 --> 00:30:46.140

eugenia: I just wanted to say, while I really am sorry for those who got.

289

00:30:47.190 --> 00:30:50.190
eugenia: offended by Mr corolla.

290
00:30:50.940 --> 00:30:57.360
eugenia: I do not see misconduct in his work as a president and.

291
00:30:59.670 --> 00:31:08.640
eugenia: It seemed to me that he's been provoked over and over and over time again, for many, many months, maybe years even.

292
00:31:09.990 --> 00:31:12.510
eugenia: So I do not support this motion and.

293
00:31:13.980 --> 00:31:18.270
eugenia: I seems like the board, maybe it's mine, but there is someone who.

294
00:31:19.890 --> 00:31:22.200
eugenia: Also, do not supported them, please.

295
00:31:23.310 --> 00:31:23.910
eugenia: join me.

296
00:31:28.230 --> 00:31:33.150
Matthew Quioco (VP): Thank you Virginia all opinions are valid and welcome Thank you man he's bad.

297
00:31:35.730 --> 00:31:37.530
Matt Garland *Board Member: yeah, thank you for your comments, everybody.

298
00:31:39.750 --> 00:31:54.360
Matt Garland *Board Member: i've had a similar experience with personal attacks from Lou and I didn't like them and, more importantly, for this board he's been a dysfunctional President our Council has been unable to serve our Community.

299
00:31:55.500 --> 00:32:01.620
Matt Garland *Board Member: For many, many months and the efforts of this board have been outright boarded and undermine and sabotage.

300
00:32:03.120 --> 00:32:18.870
Matt Garland *Board Member: And yeah I don't like the way he's treating me personally saying stuff that's not true, making crazy accusations and

threats, but that's not why I support this letter, I support this letter, because our Council cannot function with his leadership, and I hope you guys join me thank you.

301

00:32:22.920 --> 00:32:24.480

Matthew Quiocho (VP): Thank you, frank, please go ahead.

302

00:32:25.530 --> 00:32:27.870

Frank Anderson: Yes, thank you so much, oh.

303

00:32:29.640 --> 00:32:38.940

Frank Anderson: This board have allowed our President, Mr carvello to act this way for quite a while and fact.

304

00:32:40.080 --> 00:32:47.490

Frank Anderson: Almost as soon as Mr Allen assume the chair of the committee, he started receiving bunches of emails from Lou.

305

00:32:48.630 --> 00:32:53.670

Frank Anderson: And personally I was familiar with some of these situations and most of them, I thought, all of them are false.

306

00:32:55.140 --> 00:32:58.740

Frank Anderson: But you know he's he was embolden nothing happened.

307

00:32:59.910 --> 00:33:02.820

Frank Anderson: And I know we've had meetings before we talked about.

308

00:33:03.900 --> 00:33:13.470

Frank Anderson: And i'm referring to the meaning of Linda you Matthew and I already talked about centering the sky before we get too far along.

309

00:33:14.100 --> 00:33:24.720

Frank Anderson: And nothing happened so he was emboldened and i've been through situations like this performance but principles I served under and it's not going to change until the problem is eliminate.

310

00:33:25.830 --> 00:33:26.250

Frank Anderson: Thank you.

311

00:33:30.750 --> 00:33:38.130

Matthew Quiocho (VP): Thank you, any other comments regarding the protected motion lamar please but.

312

00:33:39.780 --> 00:33:43.080

lamar lyons: i'm kind of new to this so i'm trying to.

313

00:33:44.490 --> 00:33:46.740

lamar lyons: embrace a lot of moving parts.

314

00:33:47.940 --> 00:33:55.380

lamar lyons: And, and I think the thing that i'm confused about is the use of language and how that applies to the bylaws.

315

00:33:56.580 --> 00:33:58.890

lamar lyons: And so that's something I would like to.

316

00:34:01.470 --> 00:34:02.940

lamar lyons: For someone to clarify.

317

00:34:05.070 --> 00:34:18.030

lamar lyons: The request as relates to the bylaws in terms of removal and their conditions preceded even to the removal again there's they're sending a lot of moving parts and i'm trying to get my arms around so that's why i'm just trying to.

318

00:34:20.340 --> 00:34:31.500

lamar lyons: synthesize this with the bylaws so I just want to say for the record that best i'm a little confused with regards to how this applies doesn't basically conflict with the bylaws and as relates to degree, but.

319

00:34:32.730 --> 00:34:34.350

lamar lyons: How would that impact this.

320

00:34:34.440 --> 00:34:36.210

lamar lyons: This action from a.

321

00:34:37.260 --> 00:34:42.510

lamar lyons: Interpretation standpoint, with the city what city attorney so my palms are twofold.

322

00:34:43.590 --> 00:34:57.390

Matthew Quioco (VP): Thank you yeah I, I feel, yet my first board meeting ever was when the previous President resided tears, and I had no idea what's going on, so yeah I feel for you and i'll let James respond

and and i'll see if there's anything that I can respond as well, James to join respond.

323

00:34:58.560 --> 00:35:10.710

James Preston Allen: yeah i'm i'm Mr Lyons a when you signed up for the board, you had to sign the code of civility did you not.

324

00:35:13.020 --> 00:35:13.500

lamar lyons: Correct.

325

00:35:14.640 --> 00:35:19.500

James Preston Allen: And in the code of civility there are certain guidelines that we all have.

326

00:35:19.920 --> 00:35:20.610

James Preston Allen: sworn.

327

00:35:21.210 --> 00:35:23.250

James Preston Allen: To take an oath to uphold.

328

00:35:24.480 --> 00:35:25.680

James Preston Allen: And at the core of this.

329

00:35:28.080 --> 00:35:28.680

James Preston Allen: motion.

330

00:35:30.030 --> 00:35:33.090

James Preston Allen: Is that very item now.

331

00:35:34.140 --> 00:35:38.040

James Preston Allen: Those of the board, who have been around since last.

332

00:35:39.120 --> 00:35:45.330

James Preston Allen: December will recognize that there have been multiple attempts to.

333

00:35:46.470 --> 00:35:47.370

James Preston Allen: admonish.

334

00:35:48.420 --> 00:35:50.700

James Preston Allen: The the current president.

335

00:35:51.990 --> 00:35:55.170

James Preston Allen: For bad behavior which, all of which.

336

00:35:56.190 --> 00:35:58.650

James Preston Allen: precedes the grievance.

337

00:36:00.300 --> 00:36:01.140

James Preston Allen: and

338

00:36:03.720 --> 00:36:04.140

James Preston Allen: The.

339

00:36:05.190 --> 00:36:09.210

James Preston Allen: department of Labor empowerment as thwarted all of those.

340

00:36:11.910 --> 00:36:15.450

James Preston Allen: Those efforts by certain members of the sport.

341

00:36:16.770 --> 00:36:20.310

James Preston Allen: And ultimately, say, with their ultimate.

342

00:36:21.690 --> 00:36:24.120

James Preston Allen: response was that there needed to be essential.

343

00:36:25.500 --> 00:36:27.450

James Preston Allen: And when the Center was actually.

344

00:36:28.800 --> 00:36:43.500

James Preston Allen: Given they then criticize the Center, so we are now sort of at the end of a long string of discussions that I think has become apparent to the vast majority of this board.

345

00:36:44.850 --> 00:36:45.690

James Preston Allen: about the.

346

00:36:49.530 --> 00:36:51.390

James Preston Allen: Lack of civility.

347

00:36:53.940 --> 00:37:00.810

James Preston Allen: That has been expressed and I therefore will support this motion as the.

348

00:37:02.250 --> 00:37:06.480

James Preston Allen: Is the first attempt to actually do what needs to be done.

349

00:37:09.330 --> 00:37:12.660

Matthew Quioco (VP): Thank you, Mr john i'll just make a my closing comments here on this.

350

00:37:13.710 --> 00:37:24.450

Matthew Quioco (VP): Look democracies hard we don't always agree, in fact, sometimes we disagree hard and you get mad at each other and words are said but that's kind of par for the course.

351

00:37:25.020 --> 00:37:31.920

Matthew Quioco (VP): But at the end of the day, Mr caravelle his behavior has gone way beyond what's acceptable in terms of civility.

352

00:37:32.820 --> 00:37:51.330

Matthew Quioco (VP): he's disparaged Emerald accusing her of paper play he's disparaged Mr Allen several times, calling him a sexual predator and accusing him of pay per play these disparage them to Alexander calling her racist and a scholar of public funds.

353

00:37:52.350 --> 00:38:01.950

Matthew Quioco (VP): he's disparaged honest opinion you know it's just it's gone beyond anything beyond reasonable debate anything that's reasonable in terms of civility.

354

00:38:03.210 --> 00:38:11.940

Matthew Quioco (VP): And it's just it's dragging down the sport and it, it really is unacceptable and, most recently, he refused to sign our election paperwork.

355

00:38:12.600 --> 00:38:21.840

Matthew Quioco (VP): And he refused a request from a stakeholder to get copies of the zoom recordings so to me, he does not seem particularly interested in running this board.

356

00:38:22.890 --> 00:38:27.570

Matthew Quioco (VP): He recently in my request to him if he was going to attend.

357

00:38:28.950 --> 00:38:47.880

Matthew Quioco (VP): call this meeting a hate Bob implying that every participant is quote unquote part of the hate mob, which I find to be a horribly disparaging comment to people who are trying very hard to be better their community and I it's just not acceptable in any way.

358

00:38:49.050 --> 00:38:49.470

Matthew Quioco (VP): Thank you.

359

00:38:51.630 --> 00:38:56.700

Matthew Quioco (VP): Can we make it quick Regina and Linda and because then we got to wrap this up wind up Please go ahead and then Regina.

360

00:38:57.060 --> 00:39:11.760

Linda Alexander: yeah, I just wanted to say I, I think we should undertake to take Bob girlfriends suggestion and maybe change the wording to make a motion and to resolve that.

361

00:39:14.490 --> 00:39:26.580

Linda Alexander: I know coastal gets chance here with all the resolves but to something that that change it into emotion and then gives a time limit for response I would support those.

362

00:39:28.230 --> 00:39:29.100

Linda Alexander: Changes you.

363

00:39:30.000 --> 00:39:30.510

Regina.

364

00:39:32.310 --> 00:39:35.220

Regina Lumbruno: Thank you, Mr chair um, I just wanted.

365

00:39:36.930 --> 00:39:46.290

Regina Lumbruno: That I was also, on the other side of those disparaging emails and, quite frankly, i've been through a lot in my life, and I did.

366

00:39:47.040 --> 00:40:11.490

Regina Lumbruno: I mean I just pulled his position in such a high pedestal and hating on it honestly there's been boom provocation at all it's like the way he attacked me I didn't provoke so i'm really sorry that maybe some board members way were provoked him and it just makes.

367

00:40:12.990 --> 00:40:31.080

Regina Lumbruno: The one and being attacked by a man sitting in an English movie I saw that you're having to go through this and I know he's your friend and I know this supposed to be sued for so cheap this season that you're in and just thank you, thank you, everybody.

368

00:40:33.900 --> 00:40:40.710

Matthew Quioco (VP): Thank you, James I see you, but I want to get to Doug real quick and then we'll come back to wrap it up.

369

00:40:41.880 --> 00:40:42.720

Matthew Quioco (VP): Doug Please go ahead.

370

00:40:44.910 --> 00:41:00.120

Doug Epperhart: Okay, since Linda mentioned coastal and fancy wording, I would just suggest to you that your Preamble to all this, or maybe at the end you say resolved, it is the sense of this board.

371

00:41:01.140 --> 00:41:03.750

Doug Epperhart: That, Mr caravelle a.

372

00:41:07.080 --> 00:41:09.300

Doug Epperhart: there's not enjoy the confidence.

373

00:41:12.810 --> 00:41:18.510

Doug Epperhart: Of the undersigned, and therefore we asked that he resigned.

374

00:41:20.880 --> 00:41:29.310

Doug Epperhart: I mean it's it's it's pretty simple, this is essentially what's called a sense of the Board motion sensor Johnson, in a sense, have.

375

00:41:30.660 --> 00:41:32.760

Doug Epperhart: affect other than as a request.

376

00:41:35.190 --> 00:41:45.270

Matthew Quioco (VP): Thank you, and not to get ahead of myself but that may be next after this vote, depending on how that vote goes just I was waiting to see first how this vote goes for potentially a second vote.

377

00:41:46.680 --> 00:41:49.230

Matthew Quioco (VP): Mr Allen who's go ahead and wrap it up or.

378

00:41:49.290 --> 00:41:53.250

James Preston Allen: yeah I just to address both of those last comments.

379

00:41:54.600 --> 00:42:02.160

James Preston Allen: I agree with the Chair, that this is a preliminary communication communicate.

380

00:42:04.740 --> 00:42:09.390

James Preston Allen: That could end up with a specific motion that would come.

381

00:42:10.680 --> 00:42:12.120

James Preston Allen: at another time.

382

00:42:14.130 --> 00:42:18.420

James Preston Allen: Based upon whether or not we get response to this particular.

383

00:42:19.620 --> 00:42:21.330

James Preston Allen: course correspondence so.

384

00:42:22.410 --> 00:42:34.440

James Preston Allen: I would not amend it at this point I would wait until we have an agenda setting meeting and which we might want if, at that time, we do not have any.

385

00:42:36.780 --> 00:42:39.810

James Preston Allen: response favorable response from.

386

00:42:42.570 --> 00:42:59.670

James Preston Allen: President that we could then move ahead with either a full motion brought to the full board at our next meeting and or a follow up amended Center but I will leave that offer.

387

00:43:00.930 --> 00:43:02.760

James Preston Allen: The boards consideration, thank you.

388

00:43:04.920 --> 00:43:06.330

Matthew Quiocho (VP): Thank you, I agree, James.

389

00:43:06.360 --> 00:43:08.760

Matthew Quiocho (VP): Under percent okay we're gonna go ahead.

390

00:43:09.270 --> 00:43:14.760

lamar lyons: Chairman point clarification So are we voting on the inclusive excluding.

391

00:43:16.020 --> 00:43:17.130

Matthew Quiocho (VP): Excluding of the red.

392

00:43:18.210 --> 00:43:19.260

Matthew Quiocho (VP): The red has been stricken.

393

00:43:22.470 --> 00:43:22.830

Matthew Quiocho (VP): Okay.

394

00:43:24.060 --> 00:43:30.030

Matthew Quiocho (VP): dylan if you don't mind, can you please take a roll call vote, adopting the Amended motion.

395

00:43:31.080 --> 00:43:34.770

Dillon Clark: Regina alum Bruno.

408
00:44:01.740 --> 00:44:02.250
Yes.

409
00:44:03.780 --> 00:44:04.920
Dillon Clark: You gina villanova.

410
00:44:06.630 --> 00:44:06.960
eugenia: know.

411
00:44:08.310 --> 00:44:09.270
Dillon Clark: lamar lines.

412
00:44:11.010 --> 00:44:11.520
lamar lyons: Yes.

413
00:44:12.930 --> 00:44:13.890
Dillon Clark: Barbara St john.

414
00:44:14.430 --> 00:44:15.030
Yes.

415
00:44:16.110 --> 00:44:16.860
Dillon Clark: ziggy market.

416
00:44:17.700 --> 00:44:24.510

Dillon Clark: Yes, Mr rob absent Lou caravelle absent doing Clark yes.

417

00:44:25.770 --> 00:44:33.210

Dillon Clark: That is to absent one no and 13 yes.

418

00:44:35.820 --> 00:44:38.790

Matthew Quiocho (VP): Thank you, everybody the emotion is adopted.

419

00:44:39.990 --> 00:44:45.930

Matthew Quiocho (VP): Go ahead and move on to the next agenda item we get that going here.

420

00:45:02.130 --> 00:45:05.100

Matthew Quiocho (VP): Okay, can everybody see the agenda item there.

421

00:45:07.560 --> 00:45:07.920

yep.

422

00:45:09.060 --> 00:45:20.910

Matthew Quiocho (VP): Okay, this is a discussion and possible emotion in response to dunn's determination opposing Center of the central Saint Peter neighborhood Council President so before we get into this some ground rules here.

423

00:45:21.480 --> 00:45:41.670

Matthew Quiocho (VP): Because this is very delicate, there is an ongoing Center which, even though done has disapproved it has not been withdrawn, and the 30 day clock is still going, so I would request people to be very careful in what they say and not litigating this ahead of that 30 day block.

424

00:45:42.900 --> 00:45:58.830

Matthew Quiocho (VP): Really, in my mind there's three options in regards to the current central motion put forward by Mr Allen and company, we can proceed with the motion, as was currently put forward.

425

00:46:00.060 --> 00:46:09.660

Matthew Quiocho (VP): Despite duns objections we can withdraw that and put forth an amended motion which would in theory reset the 30 day clock.

426

00:46:10.410 --> 00:46:15.450

Matthew Quiocho (VP): Or we could just withdraw the motion all together and do something else.

427

00:46:16.080 --> 00:46:27.780

Matthew Quioco (VP): Maybe there's other items that we could do, but that's in my mind kind of the three things that I would like to hear from board members as far as how we, as a board would like to move forward with the current central motion.

428

00:46:29.070 --> 00:46:36.030

Matthew Quioco (VP): And I will go ahead and open it up to discussion and again, please try to keep it under two minutes, Mr Harland go ahead.

429

00:46:41.670 --> 00:46:42.660

Matthew Quioco (VP): Mr gotta go ahead.

430

00:46:43.290 --> 00:46:50.640

Matt Garland *Board Member: yeah thanks sorry took me a minute to the button art, can you just summarize items points for us if you if you have that available or.

431

00:46:51.750 --> 00:46:59.340

Matt Garland *Board Member: Because I know I remember, reading the letter but I don't remember exactly what their objections were I remember my reaction to it was.

432

00:47:01.380 --> 00:47:02.610

Matt Garland *Board Member: That I disagree with.

433

00:47:03.720 --> 00:47:10.980

Matt Garland *Board Member: With their objections and I would suggest we just leave this clock ticking and proceed with the sensor as written.

434

00:47:12.540 --> 00:47:17.610

Matt Garland *Board Member: But if you have it in front of you or or could review it with us that'd be great if not that's fine too.

435

00:47:19.290 --> 00:47:22.110

Matthew Quioco (VP): Let me see if I can pull it up.

436

00:47:24.690 --> 00:47:31.350

Matthew Quioco (VP): formal notice of censure, we care Bella on this go out.

437

00:47:33.900 --> 00:47:35.670

Matthew Quioco (VP): James Do you remember when you sent this email.

438

00:47:38.010 --> 00:47:41.040

James Preston Allen: Oh, and have to get back into my.

439

00:47:42.060 --> 00:47:43.020

James Preston Allen: email here.

440

00:47:44.580 --> 00:47:44.790

At.

441

00:47:46.290 --> 00:47:46.740

James Preston Allen: least.

442

00:47:47.490 --> 00:47:50.400

Matthew Quiocho (VP): I found it I just don't see the exact date on it, but.

443

00:47:51.930 --> 00:47:52.410

Matthew Quiocho (VP): See.

444

00:47:59.970 --> 00:48:03.120

James Preston Allen: I can't see it with the shared screen.

445

00:48:04.380 --> 00:48:15.630

Matthew Quiocho (VP): yeah i'm trying to I found your original Center motion i'm trying to find and then give some said acknowledge receipt and i'm trying to find the response.

446

00:48:18.060 --> 00:48:20.280

Matthew Quiocho (VP): That happened after July 14.

447

00:48:22.890 --> 00:48:26.280

Matthew Quiocho (VP): Okay, I found it he responded on July.

448

00:48:27.360 --> 00:48:27.840

Matthew Quiocho (VP): 2.

449

00:48:32.970 --> 00:48:36.240

Matt Garland *Board Member: Okay, so I remember and correct me if i'm wrong, but I remember that.

450

00:48:37.260 --> 00:48:45.180

Matt Garland *Board Member: The biggest part of the objection was that felt like this was a retaliatory action to the grievance and I just like to point out that all of the.

451

00:48:47.520 --> 00:48:48.240

Matt Garland *Board Member: Evidence.

452

00:48:49.380 --> 00:49:00.360

Matt Garland *Board Member: or support supporting documents predate the agreements by a long talk so I don't agree that this sensor was written in response to the agreements, I think it stands on its own merit.

453

00:49:03.210 --> 00:49:07.290

Matthew Quiocho (VP): Thank you and I, I got there on the screen as well, their response.

454

00:49:09.390 --> 00:49:10.470

Matthew Quiocho (VP): We see.

455

00:49:12.930 --> 00:49:16.710

Matthew Quiocho (VP): Nobody has your hands up except Mr Allen Okay, Mr Allen go ahead.

456

00:49:19.320 --> 00:49:19.710

James Preston Allen: So.

457

00:49:24.030 --> 00:49:24.840

James Preston Allen: there's a couple.

458

00:49:25.950 --> 00:49:26.820

James Preston Allen: of things that.

459

00:49:28.260 --> 00:49:31.200

James Preston Allen: This is not pertaining to the Center itself.

460

00:49:33.870 --> 00:49:37.050

James Preston Allen: But it's just to how we how we address it administratively.

461

00:49:39.540 --> 00:49:44.010

James Preston Allen: My suggestion would be to leave the central motion in place.

462

00:49:45.600 --> 00:49:46.140

James Preston Allen: To.

463

00:49:47.340 --> 00:49:50.160

James Preston Allen: proceed with the letter that we've already approved.

464

00:49:52.860 --> 00:49:56.730

James Preston Allen: Which if it's responded to appropriately will.

465

00:49:57.930 --> 00:50:08.640

James Preston Allen: negate the need for the the Center and all of that drama, however, I think that we should proceed, we have a.

466

00:50:10.110 --> 00:50:11.550

James Preston Allen: Second Center.

467

00:50:13.770 --> 00:50:17.400

James Preston Allen: On the grounds that we may not get a.

468

00:50:19.080 --> 00:50:24.480

James Preston Allen: response that we want out of the item just passed.

469

00:50:25.980 --> 00:50:31.410

James Preston Allen: And that second century should include all of the items that you have.

470

00:50:32.790 --> 00:50:44.430

James Preston Allen: indicated in this meeting which go far beyond what or least are in addition to the central emotion that I drafted, because I did not have.

471

00:50:46.200 --> 00:50:48.180

James Preston Allen: Access to all of these documents.

472

00:50:50.670 --> 00:50:51.510

James Preston Allen: And thirdly.

473

00:50:52.680 --> 00:50:56.010

James Preston Allen: The motion to remove good even.

474

00:50:57.330 --> 00:50:59.400
James Preston Allen: supersede all of these things.

475
00:51:00.900 --> 00:51:03.900
James Preston Allen: If that motion were to come to the agenda, setting meeting.

476
00:51:05.970 --> 00:51:12.450
James Preston Allen: At the beginning of next month, so we have you know really several options here.

477
00:51:14.250 --> 00:51:22.080
James Preston Allen: But, frankly, I think we leave the current Center motion clock ticking just because.

478
00:51:23.790 --> 00:51:24.390
James Preston Allen: We need to.

479
00:51:26.280 --> 00:51:33.900
Matthew Quiocho (VP): Thank you, Mr Allen any other comments regarding the current ongoing Center Linda Please go ahead.

480
00:51:34.770 --> 00:51:37.620
Linda Alexander: Thank you um I noticed that.

481
00:51:38.880 --> 00:51:40.380
Linda Alexander: Part of this says.

482
00:51:41.700 --> 00:52:03.570
Linda Alexander: The second from the last paragraph that essentially if we continue with the sensor then he's going to file a grievance problem is that they, the failure to follow a bunk policy or bylaws standing whatever my concern normally is.

483
00:52:05.760 --> 00:52:12.300
Linda Alexander: You know I would prefer to leave it as it is, but if we take a couple of weeks and redo it.

484
00:52:13.980 --> 00:52:27.150
Linda Alexander: and start the clock over again might might be more practical than trying to get in the law of this city rules and regulations and how they choose to interpret them.

485

00:52:28.380 --> 00:52:31.230

Linda Alexander: Just a thought I don't have a strong feeling on it.

486

00:52:33.930 --> 00:52:35.730

Matthew Quiocho (VP): Thank you, James you have something else to say.

487

00:52:35.790 --> 00:52:37.080

James Preston Allen: Oh God my hand was.

488

00:52:39.930 --> 00:52:43.860

James Preston Allen: What What does Mr gelfand.

489

00:52:45.000 --> 00:52:49.680

James Preston Allen: Think about these things he's been sort of the parliamentarian know.

490

00:52:52.710 --> 00:52:54.000

Matthew Quiocho (VP): Bob galton please but.

491

00:52:55.230 --> 00:52:56.910

Bob Gelfand: yeah Thank you.

492

00:52:58.200 --> 00:53:18.870

Bob Gelfand: I want to point out that this isn't the first time that done as basically tried to extort your neighborhood Council, you will remember that the new general manager when she was first coming aboard came to your meeting and basically threatened do over something which.

493

00:53:19.410 --> 00:53:21.450

Bob Gelfand: I believe, had to do with your previous chair.

494

00:53:23.070 --> 00:53:24.090

Bob Gelfand: There is.

495

00:53:25.140 --> 00:53:35.310

Bob Gelfand: no reason to think that done has this kind of power and authority to tell you how to write your emotions or to tell you that you can't do them.

496

00:53:37.590 --> 00:53:44.190

Bob Gelfand: I think that you should go ahead with the original sin sure I read it.

497

00:53:45.450 --> 00:53:56.280

Bob Gelfand: I think it makes a case and it certainly is available to Lou to defend himself from that case.

498

00:53:57.420 --> 00:53:58.890

Bob Gelfand: As for all the rest of it.

499

00:54:00.060 --> 00:54:08.460

Bob Gelfand: what's missing here in all dunn's remarks is the concept that there has to be substance.

500

00:54:10.380 --> 00:54:17.340

Bob Gelfand: The fact that there is a temporal relationship Lou fire filed a grievance and then you.

501

00:54:19.260 --> 00:54:23.940

Bob Gelfand: Somebody on your board several people filed this censure.

502

00:54:25.410 --> 00:54:43.080

Bob Gelfand: It doesn't have to be retaliatory it might be read as simply a rational response to a difficult situation there's a one in the remark that I would like to make that is something that's been very obvious to me for over.

503

00:54:44.280 --> 00:54:52.200

Bob Gelfand: 20 years that my neighborhood Council has been in existence, and I think it works, the same with yours, which is that.

504

00:54:53.280 --> 00:55:06.030

Bob Gelfand: The choice of a chair and vice chair and the other officers is at the pleasure of the board, you can elect somebody a precedent, you can remove that person as President.

505

00:55:06.630 --> 00:55:22.890

Bob Gelfand: And it does not have to be for cause you don't have to explain why you can simply do it because you are, for some reason wanting to not have that person is here, or to have some other person this Chair and.

506

00:55:25.350 --> 00:55:37.140

Bob Gelfand: This is what done can't seem to get through its thicket, so I think that i've spoken more probably should have done this, but good luck and.

507

00:55:38.220 --> 00:55:49.590

Bob Gelfand: If they tried to do something like they are threatening to, by the way this is once again and implied threat on the part of the department.

508

00:55:52.260 --> 00:56:03.060

Bob Gelfand: You can join me and create a gofundme account and hire a law firm in turn around Sue this any for all kinds of things.

509

00:56:04.800 --> 00:56:05.190

Bob Gelfand: Thank you.

510

00:56:08.280 --> 00:56:10.830

Matthew Quiocho (VP): Think about that was actually pretty brief for you, thank you, I was awesome.

511

00:56:12.240 --> 00:56:16.110

Matthew Quiocho (VP): lamar and then i'll make some closing comments how I view this but.

512

00:56:17.220 --> 00:56:19.380

lamar lyons: The more I listened to more interesting, this is getting.

513

00:56:20.760 --> 00:56:22.470

lamar lyons: Cancer row nice question.

514

00:56:24.180 --> 00:56:25.230

lamar lyons: What is the end game.

515

00:56:28.020 --> 00:56:31.080

Matthew Quiocho (VP): For us as a board or for Mr caravelle.

516

00:56:31.650 --> 00:56:34.380

lamar lyons: Mr caravelle because it seems as if.

517

00:56:36.270 --> 00:56:47.700

lamar lyons: it's overwhelming opposition to him and chloe as please the state the Board has the right to select the loan officers i'm just trying to hear why, why is this thing that extended because clearly.

518

00:56:49.470 --> 00:56:51.210

lamar lyons: The steps he's making here.

519

00:56:52.320 --> 00:56:58.560

lamar lyons: Are some reason to get an audience and a platform and.

520

00:57:00.300 --> 00:57:04.950

lamar lyons: i'm just trying to figure out what is it I can't remember what the name is I mean it's it's.

521

00:57:06.000 --> 00:57:06.690

lamar lyons: Anyway, that's it.

522

00:57:07.500 --> 00:57:14.550

Matthew Quiocho (VP): I don't know if any of us really know what that is yes, you we you're not the only one.

523

00:57:15.840 --> 00:57:21.930

Matthew Quiocho (VP): Definitely, a lot of us have wondered that as well anya Please go ahead and then pat.

524

00:57:22.920 --> 00:57:32.100

Anya Sipivy: I just wanted to say, the rantings feel as if he snaps that's that's, the only thing that that makes sense to me and it's really sad and Bob if you can.

525

00:57:33.390 --> 00:57:36.270

Anya Sipivy: Let us know how to get in touch with you.

526

00:57:37.320 --> 00:57:38.340

Anya Sipivy: i'd appreciate that.

527

00:57:44.460 --> 00:57:45.150

Bob Gelfand: Mr chair.

528

00:57:47.790 --> 00:57:48.300

Matthew Quiocho (VP): Yes.

529

00:57:49.410 --> 00:57:59.490

Bob Gelfand: A feel free to speak to, for example, James Allen who is my phone number, and so on, because i've contributed to the paper and occasion.

530

00:58:01.860 --> 00:58:06.000

Bob Gelfand: yeah he has my permission to give out my cell phone number and email.

531

00:58:09.000 --> 00:58:11.310

Matthew Quioco (VP): Thank you, I need you have any more comments or was that.

532

00:58:11.700 --> 00:58:12.510

Anya Sipivy: says no.

533

00:58:12.630 --> 00:58:14.970

Anya Sipivy: No, that was that's it Thank you okay.

534

00:58:15.360 --> 00:58:17.880

Matthew Quioco (VP): A pet Please go ahead and see.

535

00:58:18.090 --> 00:58:18.900

Pat: Yes, thank you, America.

536

00:58:19.110 --> 00:58:24.450

Pat: yeah, but what is it to do sensor motion or get you.

537

00:58:26.670 --> 00:58:28.680

Pat: Your during me or your emotion victor.

538

00:58:31.230 --> 00:58:37.050

Pat: Was it add some more to sort of gives you some rights that you don't already have.

539

00:58:39.240 --> 00:58:41.760

Pat: Do you gain more than you're used stand.

540

00:58:42.780 --> 00:58:44.640

Pat: to lose frank, I think.

541

00:58:47.550 --> 00:58:51.450

Pat: That a lot to be cautious about tweaking.

542

00:58:53.490 --> 00:58:59.610

Pat: done unnecessarily if you don't have to be close you know the history of of.

543

00:59:01.140 --> 00:59:01.470

Pat: Of.

544

00:59:02.790 --> 00:59:05.070

Pat: Central over the last 20 years.

545

00:59:09.600 --> 00:59:19.530

Pat: has been a pretty rough there's been several several times when groups came in and disrupt the dates and central to put in administrative purgatory.

546

00:59:20.700 --> 00:59:24.270

Pat: Or at least once, I think, maybe more than once.

547

00:59:25.200 --> 00:59:25.650

James Preston Allen: So I.

548

00:59:25.890 --> 00:59:30.450

Pat: Do if you don't if you don't if it doesn't do you more good than I care.

549

00:59:31.560 --> 00:59:35.070

Pat: Very good cause, you harm you don't really need it, why do it.

550

00:59:36.270 --> 00:59:36.480

Pat: looks.

551

00:59:37.350 --> 00:59:47.130

Matthew Quioco (VP): Thank you, anybody who wants to speak, please raise your hand now because i'm going to cycle through and then we're going to call it quits So if you want to speak raise your hand or forever hold your peace.

552

00:59:48.240 --> 00:59:49.170

Matthew Quioco (VP): Regina Please go ahead.

553

00:59:54.630 --> 01:00:06.930

Regina Lumbruno: From done and why does it seem so difficult he he broke every single rule our bylaws with these emails and attacking us, so why I mean just as is so outrageous to me.

554

01:00:08.250 --> 01:00:10.890

Regina Lumbruno: Did he not break rules with these emails.

555

01:00:13.830 --> 01:00:20.460

Regina Lumbruno: can't he be removed, I mean, why do we have to fight so hard for this what he did was against everything.

556

01:00:23.070 --> 01:00:27.060

Regina Lumbruno: You know, is he allowed to send us these horrible emails I mean this.

557

01:00:28.560 --> 01:00:29.610

Regina Lumbruno: that's horrible.

558

01:00:32.040 --> 01:00:33.480

Matthew Quiocho (VP): Thank you Regina.

559

01:00:34.800 --> 01:00:40.290

Matthew Quiocho (VP): What else we have a pad you saw more to say or Bobby somewhere to say.

560

01:00:40.740 --> 01:00:43.530

Bob Gelfand: I was gonna try and make a brief response to pad.

561

01:00:45.630 --> 01:00:46.620

Matthew Quiocho (VP): Okay, please good.

562

01:00:47.250 --> 01:00:55.770

Bob Gelfand: Okay, there is a difference between removing somebody as an officer and that person would remain as an elected member of the board.

563

01:00:56.310 --> 01:01:05.700

Bob Gelfand: there's a difference between that and removing somebody from the board entirely For this reason, the board of neighborhood Commissioners in the city of La.

564

01:01:06.330 --> 01:01:27.810

Bob Gelfand: Has this rule, which says that, in order to do a motion of removal, which is to say, you would remove someone entirely from your board and that person would no longer be a voting member of your board, it is first necessary to pass emotion of censure when they originally concocted this.

565

01:01:29.040 --> 01:01:37.200

Bob Gelfand: They even inserted a one month time lag between the Center in the removal, that seems no longer to be the case.

566

01:01:38.550 --> 01:01:50.250

Bob Gelfand: Your motion put century and removal together so that you can take it up in the same meaning if you want, and my reading of the city's ordinance.

567

01:01:52.080 --> 01:02:04.230

Bob Gelfand: does not show that this is prohibited, but there that's the point of the Center as opposed to simply taking the guy Office, President and then, then he can sit on the board if you leave them.

568

01:02:05.880 --> 01:02:07.830

Matthew Quiocho (VP): Thinking about pat does that answer your question.

569

01:02:09.180 --> 01:02:09.870

Matthew Quiocho (VP): More or less.

570

01:02:10.200 --> 01:02:10.560

No.

571

01:02:14.970 --> 01:02:18.390

Matthew Quiocho (VP): Okay i'm going to go to bill.

572

01:02:19.710 --> 01:02:20.490

Matthew Quiocho (VP): bill, please go ahead.

573

01:02:20.610 --> 01:02:21.300

waiting.

574

01:02:22.890 --> 01:02:23.310

Bill Roberson: yeah.

575

01:02:24.720 --> 01:02:25.350

Bill Roberson: I kind of.

576

01:02:26.700 --> 01:02:29.010

Bill Roberson: backed the comments by Bob gale fan.

577

01:02:30.540 --> 01:02:32.340

Bill Roberson: And the recollection by Pat.

578

01:02:33.540 --> 01:02:46.560

Bill Roberson: This board has been made to lose its credibility in the past and it's all about credibility when we resolve something when you guys issue.

579

01:02:47.070 --> 01:03:07.590

Bill Roberson: A resolution to a public official you want to have a cloud of credibility, and when you have a president and doing some of the things I just listened to you don't have a credible board not just not a credible President, so you got to remove that as a.

580

01:03:08.880 --> 01:03:12.690

Bill Roberson: He may remain on the board but simple.

581

01:03:14.400 --> 01:03:15.120

Bill Roberson: motion.

582

01:03:16.980 --> 01:03:27.540

Bill Roberson: Properly noticed and fulfilling your bylaws and have about maybe something in the area of seven six or.

583

01:03:29.160 --> 01:03:37.080

Bill Roberson: You know 12 to but but remove them and get a new President.

584

01:03:38.670 --> 01:03:45.330

Bill Roberson: The the problems we're dealing with done are the done is part of bureaucracy.

585

01:03:46.620 --> 01:03:56.190

Bill Roberson: You guys are elected people who speak for the people, and you are not part of the bureaucracy, but you got to deal with them.

586

01:03:56.700 --> 01:04:11.820

Bill Roberson: And they got their psychological hang ups and you guys got to be poised credible and that's an N, you are and you've been acting very professionally and the circumstances i'm impressed, thank you.

587

01:04:13.770 --> 01:04:14.310

Matthew Quioco (VP): Thank you.

588

01:04:16.140 --> 01:04:18.420

Matthew Quioco (VP): matt have you have you put it down.

589

01:04:19.800 --> 01:04:25.680

Matt Garland *Board Member: put it down because Bob and and bill bolted said what I wanted to say, better than I could, so thank you, gentlemen.

590

01:04:27.510 --> 01:04:30.060

Matthew Quioco (VP): Okay, James and then Regina.

591

01:04:33.300 --> 01:04:33.660

James Preston Allen: So.

592

01:04:37.170 --> 01:04:38.610

James Preston Allen: Let me give this some context.

593

01:04:40.950 --> 01:04:45.720

James Preston Allen: What pat and others have said about dunn's.

594

01:04:48.390 --> 01:04:58.740

James Preston Allen: continuous attempts to disempower this neighborhood Council cannot be taken out of context of sort of the greater CD politics.

595

01:04:59.820 --> 01:05:05.460

James Preston Allen: And those who have been on the board long enough to recall back in the early days of the.

596

01:05:06.690 --> 01:05:07.980

James Preston Allen: The homeless crisis.

597

01:05:09.930 --> 01:05:14.160

James Preston Allen: This neighborhood Council stood up and stood together.

598

01:05:15.480 --> 01:05:18.000

James Preston Allen: In a way, that it has not until now.

599

01:05:19.050 --> 01:05:21.060

James Preston Allen: shown a.

600

01:05:23.340 --> 01:05:27.000

James Preston Allen: backbone to stand up to the.

601

01:05:28.200 --> 01:05:28.860

James Preston Allen: To the city.

602

01:05:30.780 --> 01:05:35.310

James Preston Allen: And I think that what we see here tonight with these votes, you know.

603

01:05:37.560 --> 01:05:39.030

James Preston Allen: We got 13 to one.

604

01:05:41.100 --> 01:05:43.020

James Preston Allen: You know, for our motion.

605

01:05:45.360 --> 01:05:49.650

James Preston Allen: It shows a certain amount of solidarity, a certain amount of.

606

01:05:55.770 --> 01:05:56.520

James Preston Allen: Unity.

607

01:05:57.660 --> 01:06:12.210

James Preston Allen: That is important for a neighborhood Council to have because we have all come to this from our various experiences and our various backgrounds and we've come to a consensus at this point.

608

01:06:13.950 --> 01:06:16.950

James Preston Allen: That is very important in terms of.

609

01:06:18.090 --> 01:06:38.700

James Preston Allen: Having a voice for this community that will stand as a a symbol for this community in terms of standing up to whatever city bureaucracy that we are dealing with and it's imperative that we have.

610

01:06:39.960 --> 01:06:44.280

James Preston Allen: enough people on this Council who recognize what the issues are.

611

01:06:46.110 --> 01:06:52.200

James Preston Allen: What the challenges are and that even at this small level.

612

01:06:53.550 --> 01:06:56.190
James Preston Allen: That democracy really matters.

613
01:06:57.270 --> 01:07:03.270
James Preston Allen: That we that we all of us speak from our own constituencies and come to a.

614
01:07:04.620 --> 01:07:17.100
James Preston Allen: majority or in this point A an overwhelming consensus in terms of acting for the for the benefit of the people of this community who.

615
01:07:17.640 --> 01:07:38.760
James Preston Allen: need to have a voice in city government and dealing with the Department of neighborhood environment it's just one step dealing with all of the other departments of the city is another, and I congratulate every person who has shown up here today, and has voted to.

616
01:07:40.320 --> 01:07:45.180
James Preston Allen: represent this community in a way that shows conscience.

617
01:07:46.560 --> 01:07:48.300
James Preston Allen: That shows integrity.

618
01:07:49.680 --> 01:07:54.840
James Preston Allen: And shows that there are some real core democratic values.

619
01:07:55.950 --> 01:08:01.230
James Preston Allen: In terms of representing our Community, and I, I think we should.

620
01:08:02.520 --> 01:08:07.470
James Preston Allen: I will make the motion move ahead with keeping the.

621
01:08:11.190 --> 01:08:13.890
James Preston Allen: The sensor motion in place.

622
01:08:15.540 --> 01:08:20.310
James Preston Allen: And with the potential of adding to that.

623
01:08:21.450 --> 01:08:24.510

James Preston Allen: With a second century motion if that one fails.

624

01:08:26.850 --> 01:08:27.240

Matthew Quiocho (VP): Like.

625

01:08:27.540 --> 01:08:29.970

James Preston Allen: it's sort of like impeaching Donald trump twice.

626

01:08:31.980 --> 01:08:41.610

Matthew Quiocho (VP): Okay, so I noticed still hands up but uh emotion has been put forward by Mr Allen to continue the century motion is currently written, is there a second.

627

01:08:43.560 --> 01:08:44.160

Linda Alexander: i'll second.

628

01:08:46.200 --> 01:08:46.650

Linda Alexander: Linda.

629

01:08:47.910 --> 01:08:48.450

James Preston Allen: Thank you like.

630

01:08:48.510 --> 01:08:54.990

Matthew Quiocho (VP): It did by Linda Alexander, and I just gotta say I never thought i'd see the day where James Allen and Linda Alexander are.

631

01:08:55.410 --> 01:08:57.240

Matthew Quiocho (VP): Nice that space.

632

01:08:58.170 --> 01:08:59.490

James Preston Allen: More than once.

633

01:09:00.930 --> 01:09:01.920

Linda Alexander: At least twice.

634

01:09:04.020 --> 01:09:13.050

Matthew Quiocho (VP): A any further discussion on continuing the Center motion as currently reading I do want to try to get people out of here by eight.

635

01:09:14.940 --> 01:09:16.020

Matthew Quiocho (VP): pad you slide your hand up.

636

01:09:19.140 --> 01:09:19.500

Pat: So.

637

01:09:21.030 --> 01:09:21.240

Pat: there.

638

01:09:22.410 --> 01:09:23.250

Pat: We go okay.

639

01:09:24.480 --> 01:09:26.370

Matthew Quioco (VP): Any other comments.

640

01:09:28.230 --> 01:09:31.710

Matthew Quioco (VP): Regarding continuing the Center motion as currently written.

641

01:09:34.230 --> 01:09:36.240

Matthew Quioco (VP): I guess i'll make my closing comments.

642

01:09:37.290 --> 01:09:41.520

Matthew Quioco (VP): I wasn't initially necessarily a big fan of how the essential was written.

643

01:09:42.660 --> 01:09:48.000

Matthew Quioco (VP): But there, there is some some core truth to what's in there.

644

01:09:49.350 --> 01:10:08.730

Matthew Quioco (VP): And I am not particularly inclined to reset the clock immediately on a second motion and I don't necessarily buy into dunn's rationale for trying to stop us from boarding the motion so despite my reservations, I do support continuing the motion that Mr Allen put forward.

645

01:10:12.120 --> 01:10:15.090

Matthew Quioco (VP): Mr Dillon can we go ahead and do a roll call vote.

646

01:10:15.570 --> 01:10:17.160

Dillon Clark: Certainly Matthew to jump.

679

01:12:24.150 --> 01:12:25.140

James Preston Allen: can be.

680

01:12:26.580 --> 01:12:37.350

James Preston Allen: A working group of concerned citizens about central San Pedro neighborhood that can move forward with some integrity.

681

01:12:38.760 --> 01:12:40.380

James Preston Allen: And with some common concerns.

682

01:12:41.400 --> 01:12:42.090

James Preston Allen: and have.

683

01:12:43.170 --> 01:12:45.060

James Preston Allen: Some influence in terms of.

684

01:12:46.080 --> 01:13:00.780

James Preston Allen: giving voice to the people of this community in a way that that will be empowering and I am I what I what I get from this is a sense that there is.

685

01:13:03.060 --> 01:13:03.750

James Preston Allen: Some hope.

01:13:04.980 --> 01:13:16.200
