

STANDING RULES of the Central San Pedro Neighborhood Council

(Approved by the CeSPNC Board on 9/15/20)

Standing rules shall supplement the official bylaws and may be revised at any time by a majority vote of the Board. When in conflict, the council bylaws shall take precedence.

1) Civility at Meetings

Chair shall warn anyone, stakeholder, guest or board member, who is out of line two times; a preliminary warning, and a second advising they could be asked to leave. A final warning shall ask them to leave. Should they refuse to leave, the chair may call for removal.

Per CA Government Code Section 54957.9, the Brown Act does permit some leeway in dealing with disruptions during council meetings:

“In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session.

Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.” (Government Code Section 54957.9)

The important point to bear in mind is that mere disruption, including heckling, booing, and applauding, is not enough to clear the room. The meeting must be disrupted by such conduct. The disruption must be so pervasive that removal of those creating the disruption is insufficient to regain order.

2) Public Comment

Board Meeting attendees wishing to speak to the Governing Board shall be requested to fill out a Speaker Card and provide his/her name, business or organization affiliation (if any), whether they are a paid speaker (and who paid him/her to speak), and the agenda item number they wish to address for proper recording in the meeting minutes. Public Comment on agenda items should take place prior to a board vote on that item but may also be granted to select individuals by the chair to specific non-board members to answer specific questions.

3) Moments of Silence

The CeSPNC will allow meetings to be dedicated to the memory of community members, as signified by a moment of silence before adjourning. Board members should

1

notify the presiding chair prior to the meeting’s call to order if they wish to offer such a memorial.

4) Responsibilities of Board Liaisons

Board-appointed Liaisons (aka Public Representatives) to other public bodies are expected to regularly and proactively report to the CeSPNC Board on activities and issues pertaining to those organizations; help keep communication between the two organizations open and transparent; actively identify issues of mutual concern and develop proposals for Board

action; and advocate in good faith for official Board positions and recommendations (Please see CeSPNC Bylaws Section V.e.)

5) Required Training for Non-Board Committee Members

All voting members of NC committees are required to sign and abide by the Department of Neighborhood Empowerment's (DONE) Code of Conduct. All Committee Chairs and Vice Chairs must take all training required of Board Members.

6) Board Member Use of Title/Position

No officer or member of the Neighborhood Council Governing Board or any of its committees shall represent him/herself as speaking on behalf of the Council or committee, or committing the Council or Committee to an action, unless s/he has been authorized to do so by the Neighborhood Council Governing Board, or by the Executive Committee when approval by the full Governing Board would not be timely. Members are permitted to do research and make exploratory calls in their official capacity without express approval of the Governing Board, so long as they do not commit the Council to action. Such authorization may be limited or revoked at any time by the Governing Board.

6.a

Prior to a Censure the Board may with a majority vote admonish any Board Officer for conduct unbecoming of their position or for direct violation(s) of the Bylaws and Standing Rules

7) Committee Chairs' Authority to Reserve Meeting Spaces

Committee Chairs and Vice-chairs are authorized to arrange for meeting spaces so long as no cost is incurred and as long as they are ADA compliant.

8) Limited Number of Board Members on Each Committee

In order to comply with the City Attorney's interpretation of the Brown Act, no more than four members of the Governing Board may vote or participate in any committee, although more may observe. If more than four board members attend a committee meeting, then each board member in attendance at the meeting must declare themselves as participant(s) or observer(s), and the distinction shall be noted in the minutes. Non-Committee members may speak but not vote.

To be an observer means one can only listen and cannot vote. If the Committee Chair desires to have more than four Board Members participate in discussions and voting, then the Committee Chair should contact the CeSPNC President and work to set up a joint meeting of the committee and CeSPNC Governing Board.
