

We the Central San Pedro Neighborhood Council (CeSPNC), in order to ensure community engagement with local cannabis operations, request that the following businesses provide a representative (preferably the owner) to attend a regularly scheduled board meeting of the Central San Pedro Neighborhood Council in CY 2023. The purpose of the visit would be to answer any questions or concerns that community members may have regarding cannabis operations in San Pedro. Attendance at a CeSPNC board meeting would not only be a sign of good will and willingness to work with the community, but such a visit would also potentially fulfill community liaison requirements that are required of all cannabis retail establishments in order to obtain for full licensure in Los Angeles County.
