### **MOTION TO FUND POLACAT PROJECT**

Last month we forwarded to POLA a recommendation regarding a plan to address the feral cat population at the StarKist Tuna Cannery site. We understand that this proposal is now under review by the Port, and we urge the commission to take action on this proposal and to fund it immediately with the requested \$45,000 for this pilot project. Please agendize it at your earliest opportunity.

Sincerely,

*Matthew J. Quioco*
