

# Empower Your Community with Nextdoor Kind Foundation Microgrants

Ignite Your Creative Vision with a \$500 Microgrant for Your Los Angeles Community Initiative

## About the Los Angeles Microgrant Program

The Nextdoor Kind Foundation believes we all have a duty as good neighbors to support one another. We are launching the Los Angeles microgrant program to empower Angelenos to fulfill this duty.

Local leaders know their community best, and we want to support them championing community-led solutions at the grassroots level that uplift their neighbors and bring positive, lasting change.

Successful applicants will inspire kindness, demonstrate tangible change, and exhibit the following characteristics:

- Community Impact
- Fosters Community Collaboration
- Measurable Outcomes
- Uplifts Under-Resourced Communities

A panel of Los Angeles community leaders and changemakers will review all applications. One hundred \$500 grants are available.

## How to Apply

If you are a Los Angeles County resident dedicated to fostering creative and empowering initiatives that encourage community support and civic engagement, we encourage you to apply!

Applications are open until Friday, March 29. Visit [about.nextdoor.com/nextdoor-kind-foundation](https://about.nextdoor.com/nextdoor-kind-foundation) to learn more and apply.

## About Nextdoor Kind Foundation

The Nextdoor Kind Foundation seeks to inspire and empower new leaders to change the world for the better – one neighborhood at a time.

Our focus is on microgrants to individuals, nonprofits, and small businesses to support neighborhoods at the hyper-local level. We believe small gifts can inspire and empower new leaders across the country, and the world, to deepen our connections to each other and inspire kinder communities.
